In collaboration with DANIDA and the Danish Burma Committee, SWAN has produced a book of cut-out dolls for children showing the costumes of the different ethnic groups in Shan State. While cut-out paper dolls have long being a source of enjoyment for children in other countries around the world, this is the first time that dolls depicting the peoples of Shan State have been produced.

The book is being sold internationally to raise funds for SWAN Education Program. To place an order, please email paperdolls@shanwomen.org
